Family Gatherings

Among the three generational family gatherings this weekend are the Anderson, Burk, Freund, Gilday, Jarboe, Lerch, Maddox, Mizell, Miles, Roman, Shirk, Smith & Wingerd families. The Fehr and Wilson gatherings include four generations. Know a family that would like to try Capon this summer? We still have space the rest of this month, even just for a few days. Can't stay for a whole week? Try anytime Sunday to Wednesday in July. Come during the week beginning July 6th and stay in choice locations such as Pavilion, Fairfax, Austin and the Log Cabin. With some schools now starting back after Labor Day, you can come beginning August 24 and be able to sneak in an end of summer visit!

Looking for creative ways to share Capon?

- Host a neighborhood house party or seniors luncheon inviting Jonathan to present the "Capon Road Show" with fabulous Capon goodie giveaways
- Offer a treatment at the new Hygeia Bath House & Spa at your school, church or civic auction fundraisers
- Invite your friends to join you for an outdoor meal while you are staying at Capon
- Try a Spring or Fall weekday outing for a tour, meal and even a golf or spa experience

Coming attractions:

Capon's new DVD is nearing completion so reserve your advanced copy now. Besides the main attraction, there are special events, groups and bonus feature sections.

Create your own special in September! With an extra week in the calendar in 2008, there is an opportunity to try Capon for whatever length of time you can visit. Come 2, 3, 4 or 5 nights September 7-12, and pay the rate that corresponds to the popular 4-night special we offer just three times a season.

Splash time at the Hygeia

We are excited to start our second full season at the Hygeia. To celebrate, we are offering complimentary splash pool (swimspa) sessions— your first one is on us! Call or come up to the spa to schedule an appointment time. (If you have already enjoyed the swimspa— don't worry! You still are entitled to a free session!)

The 15 foot long, 4 1/2 foot deep and 7 foot wide water feature is a great place to relax, exercise or just have fun. At 84 degrees, it is just the right temperature for enjoying Capon water. Noodles, floating devices and weights supplement the workout opportunities

Other Hygeia happenings... We've consulted with the original architects about ways to expand the building, hired several new spa attendants and massage therapists, and added a new "all natural" product line!

Holiday Celebrations

On Flag Day, June 14th, guests gathered around the flag at Capon for a special flag raising ceremony, which included the Pledge of Allegiance. Later on Saturday, guests enjoyed a special video presentation on the history of the flag and its development into today's version. Sunday, in honor of Father's Day, guests can make crafts and participate in a contest to win their dad fabulous Food Shop prizes. Come to the Meeting House Room #2 at 10:00 am Sunday to make something special for dad.

Next Friday, June 20th, will be West Virginia's 145th birthday. A traditional trivia quiz will feature both current and historical questions about the Mountain State.

Newsflash:

Five little piggies came all the way home to Capon's Hog Heaven on Friday afternoon. The four boys and one girl made the 75-mile trip from Pughtsville, WV. They weigh less than 50 pounds, making them among the smallest swine to join the Capon family. Dot, Jordan, Caleb, Josh and Jeff (yes, they all have name tags on their ears) will be around until the end of the Capon season in October. They are still getting used to their new digs so they might be hiding up in the barn when you come to visit.

If you like Capon Apple Butter, you might want to see the new stylish T-shirts in the Food Shop. Designed by Capon guest, John Emory, the bright green, yellow, blue and red squares put the pint sized favorites front and center. Pearle's original bread spread never looked so good!
