

FAQS and Get a Clue!

What is an escape room anyway?

A: An escape room is an interactive, large-as-life adventure! Participants solve a series of clues, puzzles, ciphers, etc. within a set time limit to reach a certain goal and 'escape' the room.

How is Capon Escape different from other escape rooms I may have tried?

A: While it follows the basic format of other generally themed escape rooms, it's tribute to our past as well as recreational activities means it will be a uniquely Capon experience.

Do have to have prior or extensive knowledge of Capon to "escape"?

A: While it should help orientate you to some of the clues, no previous Capon experience is required to successfully complete Capon Escape. Every guest, new or regular, will discover something they didn't know!

Will the escape room be open to folks who are not staying at Capon?

A: As this is our first escape room, initially it will be available to overnight guests and co-workers only.

Am I actually locked in the room?

A: Don't worry, you are never "locked in"!

I don't like tight spaces – will that be an issue?

A: Again, no worries! All of Capon Escape is roomy & comfortable!

Will I be in the room with people I don't know?

A: Nope! You will enjoy it with your own chosen group of friends, family, workmates, or all the above!
