

MASSAGE THERAPIST

Job Summary:

Seeking highly motivated massage therapists to join the team at Capon Springs and Farms resort at the Hygeia Bath House & Spa to perform massage and body treatments and provide personal attention to each guest. Ensures a pleasant, relaxing visit and maintains effective guest relations.

Responsibilities:

- Provides exceptional service to spa and resort guests.
- Provides guests with guidance and information about the benefits of massage as a part of their overall wellness program.
- Consults with guests to ensure expectations are met.
- Provides guests with a professional, well executed massage and ensures the well-being and relaxation of each guest.
- Ensures the privacy and comfort of each guest.
- Performs massage therapy services according to established spa procedures.
- Maintains clean and organized workspace, ensuring proper safety and sanitation of equipment, tools, and work area.
- Prepares and maintains treatment area equipment and supplies daily.
- Maintains knowledge of massage and body treatments offered at the spa, including special offers and packages.
- Maintains knowledge about retail products offered by the spa.
- Keeps up to date on changing trends and developments in the field.

Requirements:

- High school graduate or equivalent
- Current license and/or certification for massage therapy as required by the state.
- Ability to work under pressure.
- Must have a friendly disposition and be customer service driven.
- Must be able to work flexible schedule including weekends and holidays.

Capon Springs and Farms is a seasonal resort open from late April until mid-November. Seasonal, contracted position, days and hours will fluctuate based on occupancy. Starting rate of pay is \$32 per hour plus gratuities.
